PRESS RELEASE

Juraj Tobák made new partner of TPA Slovakia

Juraj Tobák began his career at TPA 12 years ago and, after several years spent working in consulting and as CFO for various e-commerce companies, he now returns to TPA Slovakia through a merger with GetFinDone, a partner for digitalization, automation, external financial management and process optimization, with a particular focus on e-commerce companies. Juraj will manage TPA's office in Košice, which after the merger with GetFinDone, will have a staff of 20 professionals and be responsible for TPA's business development in Eastern Slovakia.

Commenting on the merger of TPA with GetFinDone, Klaus Krammer, TPA Slovakia's partner for outsourcing and digitalization of processes, said:

"With this merger, the TPA team in Slovakia has grown to 90 experts, 20 of which are now working from our office in Košice, where we are now able to open a dedicated service centre for e-commerce and start-ups thanks to the expertise of our new colleagues from GetFinDone. Over the past years, we have built up a team at TPA with a solid competence base in the field of digitalization processes and we are excited that, with the added experience of our new colleagues from GetFinDone, we are able to move to a higher level in this area, which is good news for our clients."

Juraj Tobák, co-founder of GetFinDone and new partner of TPA, said of the merger of TPA with GetFinDone, s.r.o. :

"I took my first professional steps at TPA's Košice office, completing internships in their offices in Bratislava and Prague. I have always had a professional respect for TPA and I also liked the friendly atmosphere of the team. After the successful launch of GetFinDone, I see the merger with TPA as providing an opportunity to further develop the quality and scope of our services for e-commerce companies and start-ups, as well as to strengthen our ability to work for both local and international clients in eastern Slovakia."

Juraj expanded the experience he gained at TPA Slovakia in the accounting and auditing of domestic and international companies to include the financial management of start-ups and scale-ups, especially in the e-commerce and SaaS industries. In addition to the above, Juraj Tobák also offers advice on the structuring of investment and bank financing, the restructuring of finance departments,

the optimization of processes and setting up of controlling and reporting systems with the help of various business intelligence tools.

At TPA Slovakia, he worked his way up from being a junior accountant, via assistant auditor to supervisor in the Transfer Pricing and Audit departments. He served as CFO at GymBeam, where he founded the finance department and secured the largest e-commerce investment in Slovakia, as well as at DivBrands, and as external CFO for various small and medium e-commerce companies, where he helped structure investment and bank financing worth millions of euros. In his new role, he will be responsible for the development of services for both Slovak and foreign clients in the areas of external financial management, digitalization and automation of accounting, controlling and reporting.

Juraj graduated from the University of Economics in Bratislava, Faculty of Business Administration in Košice in the field of financial management of enterprises. He later obtained his license as a statutory auditor and became an active member of the Slovak Chamber of Auditors.

Facts & Figures about TPA Slovakia

TPA was founded more than 40 years ago in Austria. Today, with a turnover of more than EUR 4 million, it is one of the leading tax and audit companies in Slovakia, employing 90 professionals across two offices, in Bratislava and Košice. The TPA Group has become a successful player in Central and South-Eastern Europe.

In Slovakia, TPA provides the following services: tax advisory, accounting, auditing and consultancy. TPA is committed to a “face-to-face business” philosophy. Our work is characterised by expertise, knowhow and an understanding of a wide range of industries. Our experts have a wealth of knowledge and experience covering fields such as real estate, energy, corporate restructuring, corporate legal structures, and pension law.

Beyond Slovakia, the TPA Group also operates in eleven other countries in Central and Southeastern Europe: Albania, Bulgaria, the Czech Republic, Croatia, Hungary, Montenegro, Poland, Austria, Romania, Slovenia and Serbia. Overall, the group employs more than 1,700 employees at 30 locations.

The TPA Group is also an independent member of the Baker Tilly Europe Alliance. We are therefore able to provide our clients with a worldwide network of tax advisors, auditors and consultants.

Due to our alliance with the Baker Tilly International network, the 12 locations of the TPA Group are perfectly connected at a global level, which means we are able to provide high-quality services in all major trading hubs and regions of the world.
